Cookies

A cookie is a simple text file stored by the browser on your computer at the request of our server and only that server will be able to retrieve or read the contents of that cookie. We record visits to our website and use browser cookies in order to monitor your progress through our site, although we do not store your personal data in browser cookies. This information is used by us to measure the performance of the site and to generate other statistics about visitors to our web site in general. We may also use this data to make the site easier and more convenient to use.
